Dear Jerry Mahan:

Thank you for submitting the revised Public Review Draft Sundberg Gravel Pit Data Gap Report and Remedial Investigation Work Plan (Work Plan), dated May 25, 2023, on June 1, 2023. This Work Plan will be an attachment to a future agreed order between Ecology and Green Cove Park LLC. Ecology reviewed the revised Work Plan to ensure it addresses Ecology's May 4, 2023, comments and approves the Work Plan for public comment.

Next Steps

Please provide five hard copies of the Work Plan for the repositories and public comment period.

Ecology is updating the draft agreed order based on the content of this work plan and will provide it for your review in the next few weeks. Once agreement on the agreed order is reached and Green Cove signs the agreed order, Ecology will prepare for a public comment period on the draft agreed order and the Work Plan.

If you have any questions, please contact me at 360-584-7037 or connie.groven@ecy.wa.gov.

Sincerely,

Connie Groven, PE
