Hannah,

Here are all the pictures we have for the site.

If you do a site visit I wouldn't mind tagging along or meeting you onsite in order to learn what you're looking for during these initial investigations.

I'm using Adobe Acrobat.

Hi Dale,

This is very helpful, thank you. I see a couple areas that look like possibly stained soil, so seeing more photos would be great.

Thanks,

Hannah Hennig

Hi Hannah,

Here are some representative pictures. If you want all the pictures we have, I can send them

through Adobe Document Cloud or dropbox. The attachments quickly exceeded the data limit for sending in an email.

We have not been able to speak the previous owner or the bank at this time. If we are able to speak with them I'll be sure to update you with that information if you would like.

Thanks,

Dale Patrick, REHS, GIT

Hello,

I am following up on ERTS 720317 regarding potential contamination at 503 Bella St, Sedro Woolley. Kim Eldridge (Town of Hamilton Town Treasurer) confirmed that the eviction took place earlier this month. I am wondering if anyone from Skagit EH has visited the property yet? If not, I am interested in scheduling a joint site visit.

Respectfully,

Hannah Hennig

Hello,

I am writing to follow up on ERTS 720317 regarding solid waste and potentially leaking vehicles at 503 Bella St, Sedro Woolley.

I spoke with Kim Eldridge (City of Hamilton Town Treasurer) on 3/3, and she informed that the eviction should be completed by 3/13, after which Skagit HD would have property access. I would like to schedule a joint visit with Skagit HD to evaluate current conditions and determine next steps.

Please let me know if anyone on your team is interested.

Thank you,

Hannah Hennig
