Re: Notification of Pending Inactive Determination Status for the following Hazardous Waste Site enrolled in the Voluntary Cleanup Program:

- Site Name: Duwamish Marine Center
- Site Address: 6365 1st Ave S., Seattle, WA 98108
- Facility/Site No.: 21945598
- VCP No.: NW0892

Dear Ms. Carroll:

This is a follow-up to the Notification of Pending Inactive Determination letter (Notification letter) we sent to you on March 31, 2006. The Notification letter requested a site status update within 30 days of the date of the letter. Because we did not receive the update by May 1, 2006, we are removing your site from the Voluntary Cleanup Program (VCP).

The status of this site has been updated in Department of Ecology's database of contaminated sites. Once you are ready to pursue cleanup activities, you are welcome to reapply to the VCP. If you have any questions you may reach me at 425-649-7070.

Sincerely

Mark H. Edens
