Dear Ms. Couch:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW2486. The project involved the cleanup of the Budget Rent A Car Arco facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because we understand that the Site is now part of the Atlantic Richfield Co. Technical Assistance Agreement as VCP Site NW2735. This information indicates that the Site is being remediated under a different VCP number so we are terminating the VCP agreement for NW02639.

Contact Information

Ecology is committed to working with you to accomplish the prompt and effective cleanup of the Site. If you have any questions about this notice, please contact me at (425) 649-7209 or by e-mail me at lbar461@ecy.wa.gov.
