Subject: Lakeside Industries Asphalt Batch Plant - Expedited VCP Q3 2023 Progress Report - VCPID: XS0014
Date: Friday, September 8, 2023 3:11:34 PM

Hi Frank,

Farallon prepared the following Expedited VCP Third Quarter 2023 Progress Report on behalf of Lakeside Industries, Inc. for the Former Asphalt Batch Plant located at 2001 Johnson Road in Centralia, Washington. The Former Asphalt Batch Plant Site was assigned Expedited VCP Project ID XS0014.

- Description and status of Site characterization or cleanup work (completed during past quarter or ongoing work).
 - Farallon conducted a groundwater monitoring event in August 2023. Concentrations of total petroleum hydrocarbons as diesel-range organics and oil-range organics were less than MTCA Method A cleanup levels. The final quarterly groundwater monitoring event is scheduled for November 2023.
- A list of pending opinion requests to Ecology and expected date for next request for Ecology opinion.
 - No opinion requests are pending at this time.
- Summary of dates and titles of documents submitted to Ecology for review in the last quarter.
 - No documents were submitted to Ecology in the last quarter.
- Type of documents and opinion requests planned for submittal to Ecology during the next quarter.
 - Dependent on the results from the November 2023 groundwater monitoring event, a No Further Action determination will be requested from Ecology in December 2023.
- Any updates to the project schedule showing the previously mentioned activities and milestones.
 - There were no updates to the project schedule.
- A description of schedule delays or changes from the prior quarter and reasons for those changes.
 - There were no schedule delays or changes from the prior quarter.
- Changes in key project team personnel.
 - There were no changes to key project team personnel.
- Anticipated changes at the Site, such as property ownership, changes to potential future use, new or obsolete access restrictions, or anything that could affect the cleanup.
 - No anticipated changes to the site are noted at this time.

Please let us know if you have any questions or require additional information.

Thanks,
Sarah
