This letter provides written notice that the VCP agreement between the Washington Department of Ecology (Ecology) and you and/or your organization is terminated. The effective date of termination is the date of this notice. The reason for this termination is that the remainder of the cleanup action will be conducted as a formal cleanup action, an Agreed Order with Ecology. The assigned Project Manager is now Ron Timm, at 425-649-7185.

If you have any questions you can reach me at 425-649-7038.

Sincerely,
