Dear Robert,

The Washington State Department of Ecology (Ecology) is requesting access to the Winlock School Bus Garage property (Site) to assess site conditions including, but not limited to, the location and integrity of any existing monitoring wells, the dimensions of the garage foundation at the site, the proximity of the garage structure to adjacent waterways, and to perform subsequent field sampling activities based on initial observations.

If another person in your organization should be the recipient of this letter, please provide Ecology, as soon as possible, with the contact information for that person. We will then address the letter to the individual you identify.

Please respond to Ecology in writing (email preferred or by Ecology's P.O. Box below) of your willingness to accede to the request for access.

If you have any questions, please feel free to contact me at (564) 669-4295 or ptro461@ecy.wa.gov .

Sincerely,
