Re: Termination of VCP Agreement for the following Site:

- Name: Ellisport Creek
- Address: Chatuaqua Beach Drive SW, Vashon, WA
- Facility/Site No.: 62636476
- VCP No.: NW0348

Dear Mr. Pattillo:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW 0348. The project involved the cleanup of the Ellisport Creek facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Ecology is terminating the Agreement because we understand that you are not actively cleaning up the Site. On June 2, 2009, we sent you a letter requesting an update on the status of your cleanup and your plan for completing the cleanup. You did not respond to that request. Since we have not heard from you, we have decided to terminate the Agreement.

You may apply to reenter the VCP if you decide to conduct further action at the Site.

Ecology is committed to working with you to accomplish the prompt and effective cleanup of the Site. If you have any questions about this notice, please contact me at 425-649-7038.

Sincerely,

A handwritten signature in cursive script, appearing to read "Russ Olsen".
