Re: Termination of VCP Agreement for the following Site:

- **Site Name:** Duwamish Marine Center
- **Site Address:** 6365 1st Ave. S, Seattle
- **Facility/Site No.:** 21945598
- **VCP Project No.:** NW1646

Dear Mr. Gilmur:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW1646. The project involved the cleanup of the Duwamish Marine Center facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because we have decided to supervise further action at the Site under an order or decree. Victoria Sutton has been assigned the new site manager. Victoria can be reached at (425) 649-7219, or vsut461@ecy.wa.gov.

Next Steps

Based on this decision, Ecology may take one or more of the following steps:

1. Conduct a site hazard assessment (SHA) and rank the Site for further action.
2. Identify those persons we find potentially liable for cleanup of the Site.
3. Initiate discussions for an agreed order or consent decree that will govern further action at the Site.
