Dear Ms. Young:

Re: Termination of VCP Agreement for the following Site:

- **Site Name:** Skagit County Port (aka Skagit Farmers Supply)
- **Site Address:** Skagit Regional Airport, Skagit County, WA
- **Facility/Site No.:** 67457634
- **VCP Project No.:** NW 1258

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW 1258. The project involved the cleanup of the Skagit County Port facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

The reason we are terminating this agreement is because you requested, and we agreed, to a transfer of the Site from the VCP to the "formal" program. Further action at the Site will be conducted under an order or decree. The new site manager, Dave South, has been briefed and is beginning to work on the project.

Next Steps

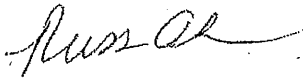

Based on this decision, Ecology will take the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.
2. Conduct a site hazard assessment (SHA) and rank the Site for further action.
3. Identify those persons we find potentially liable for cleanup of the Site.
4. Initiate discussions for an agreed order or consent decree that will govern further action at the Site.

Contact Information

Ecology is committed to working with you to accomplish the prompt and effective cleanup of the Site. If you have any questions about this notice, please contact me at 425 649-7038.

Sincerely,

Russ Olsen
