Dear Molly Dimick:

Thank you for submitting the Cleanup Action Implementation: Groundwater Monitoring Well Construction Report dated October 2023, and the Compliance Monitoring Plan (CAICMP) with a figure showing the locations of the new groundwater monitoring wells at the Site dated August 2023.

Ecology has no further comments on these two documents. Ecology concurs that the CAICMP is ready for the implementation of the cleanup action as described in the final CAP.

If you have any questions, please contact me at (509) 385-8380 or e-mail me at clof461@ecy.wa.gov.

Best regards,
