Dear MR GREG SNIDER:

This is a follow-up to the Notification of Pending Inactive Determination letter (Notification letter) we sent to you on 6/22/07. The Notification letter requested a site status update from you within 30 days of the date of the letter. Because we did not receive the update by 7/22/07, **we are removing your site from the Voluntary Cleanup Program (VCP).**

The status of this site has been updated in Department of Ecology's database of contaminated sites. Once you are ready to pursue cleanup activities, you are welcome to reapply to the VCP. If you have any questions you may reach me at 360-407-7244

Sincerely,
