December 16, 2008

Mr. Denis Rogers
2809 Lake Ave
Snohomish, WA 98290

Dear Mr. Denis Rogers:

Re: Notification of Pending Inactive Determination Status for the following Hazardous Waste Site enrolled in the Voluntary Cleanup Program:

- Site Name: Smokey Point Chevron
- Site Address: 2804 172nd NE, Arlington WA
- Facility/Site No.: 28658971
- VCP No.: NW1341

This is a follow-up to the Notification of Pending Inactive Determination letter (Notification letter) we sent to you on November 4th 2008. The Notification letter requested a site status update from you within 30 days of the date of the letter. Because we did not receive the update by December 4th 2008, we are removing your site from the Voluntary Cleanup Program (VCP).

The status of this site has been updated in Department of Ecology's database of contaminated sites. Once you are ready to pursue cleanup activities, you are welcome to reapply to the VCP. If you have any questions you may reach me at 425-649-7038.

Sincerely,

Russ Olsen
VCP Unit Supervisor
Toxic Cleanup Program
