**MARALCO ALUMINUM SITE
UPDATED PUBLIC PARTICIPATION PLAN**

The Washington Department of Ecology (Ecology) is committed to providing public participation opportunities during the investigation and cleanup of hazardous waste sites. The public participation plan is intended to promote public understanding of Ecology's responsibilities, planning and remedial activities at hazardous waste sites. It also provides an opportunity for Ecology to receive information from the public that will enable the department to develop a comprehensive cleanup plan protective of both human health, and the environment.

The following public participation activities for the remedial investigation at the Maralco Aluminum Site (7730 South 202nd Street, Kent, WA 98032) are based on information gathered during April 1990. The names of individuals contacted are included in the attached Mailing List, along with other individuals and groups identified as having interest in the site.

Public participation for the Maralco Aluminum Site shall consist of the following activities:

1. A 30-day public comment period for the Public Participation Plan, and the Phase I work-plan beginning June 15, 1990 and ending July 15, 1990.

Comment period completed July 15, 1990.

2. Notifying the potentially effected vicinity, which includes:

Chempro
Sawdust Supply Co. Inc.
GroCo Inc.
Matlack Inc.
Bert-Well Industries Inc.
PK Fence
Lifetime Doors
Colonial Cedar Co.
Nigro Optical Labs
Five residential homes (fact sheets will be hand-delivered to these homes)

The above have been identified as owning property immediately adjacent to the site. The attached mailing list includes their addresses as well as other environmental, public and private firms that have expressed an interest in the site. Those on the mailing list shall receive all site mailings.

Immediately affected vicinity notified.

3. Advertising the public comment period with a display ad in the Seattle Times South Edition and the Valley Daily News on June 15, 1990. The display ad shall be 3 columns wide by 4 inches high.

Display ad run.

4. Providing the public with copies of the public participation plan, work-plan, and extra copies of the fact sheet at the following locations:

Kent Community Library
Attn: Natalie Cowan
232 4th Ave. South
Kent, WA 98032

Department of Ecology
Northwest Regional Office
4350 150th Avenue NE
Redmond, WA 98052

Copies provided.

5. All written comments received will be maintained for the administrative record. A Responsiveness Summary will be prepared approximately two weeks after the end of the comment period. In the Responsiveness Summary, Ecology will address all comments received during the comment period.

Responsiveness summary completed and made available.

6. If ten or more people request a public meeting during the public comment period, Ecology shall hold a public meeting, at a time and place to be announced in the Seattle Times South Edition and the Valley Daily News.

Public meeting not requested.

7. Persons requesting to be placed on a mailing list for the site will be provided updates on site activities as new information becomes available.

All requests to be placed on the mailing list.

8. Should there be need for additional public participation activities, the public shall be notified via advertisement in the Seattle Times South Edition, and the Valley Daily News. This public participation plan will then be updated and delivered to the information repositories listed above.

No need for additional public participation activities.
