**Subject:** [EXT] Expedited VCP Quarterly Progress Reports Due December 11, 2023

**CAUTION**

Dear Expedited VCP Site Representative,

Per our guidance for the expedited VCP process, quarterly progress reports are due on December 10, 2022. Since that falls on a weekend, the due date will be Monday, December 11, 2023.

If you believe you have received this email mistakenly, please let me know and I will remove you from this email list.

This progress report can be made via email, and should include responses to each of the following from our guidance. We recommend that you simply insert your response below each of the following bullets in your email reply.

- Description and status of Site characterization or cleanup work (completed during past quarter or ongoing work).

A supplemental remedial investigation was completed for the Dagmars Marina sediment unit during the week of August 28, 2023.

A round of groundwater monitoring from all upland monitoring wells was completed the week of November 6, 2023. This was completed for additional data to support a feasibility study.

- A list of pending opinion requests to Ecology and expected date for next request for Ecology opinion.

A formal request for opinion on the *Supplemental Remedial Investigation Report* for Dagmars Marina was submitted to Ecology on November 2, 2023 (email preliminary review provided on 11/13/23).

Expected date for next request for Ecology Opinion will be during the first quarter of 2024 on a *Feasibility Study/Cleanup Action Plan* for Dagmars Marina

- Summary of dates and titles of documents submitted to Ecology for review in the last quarter.

November 2, 2023. *Supplemental Remedial Investigation Report*. Dagmars Marina 1871 Ross Ave Everett, Washington.

- Type of documents and opinion requests planned for submittal to Ecology during the next quarter.

*Feasibility Study/Cleanup Action Plan Report* for Dagmars Marina.

- Any updates to the project schedule showing the previously mentioned activities and milestones.

N/A

- A description of schedule delays or changes from the prior quarter and reasons for those changes.

N/A

- Changes in key project team personnel.

N/A

- Anticipated changes at the Site, such as property ownership, changes to potential future use, new or obsolete access restrictions, or anything that could affect the cleanup.

Anticipated sales of property to 1870 Ross Partners LLC c/o Alterra Properties Group, LLC is expected. This will not affect the cleanup.

Thanks, Frank
