Dear Ms. Fernandez:

Please cancel VCP NW2321 for the Phillips 66 facility 070644 site (a.k.a. Former Tidewater Service Station) located at 2800 Martin Luther King Hwy, in Seattle, Washington. It is our understanding that the new consultant for this site, Mr. Ed Turner of Conestoga-Rovers & Associates (CRA), is currently completing a new VCP agreement. If there are questions regarding this letter or if Stantec needs to do anything additional to cancel VCP NW2321, please contact me at 916-861-0400. Any other site related questions should continue to be directed to CRA.

Thank you,
