**EASEMENT AGREEMENT AND RESTRICTIVE COVENANT  
REGARDING ENVIRONMENTAL REMEDIATION**

GRANTOR: Vancouver Mini Storage, LLC, a Washington limited liability company

GRANTEE: BOC, a division of The BOC Group, Inc.

LEGAL DESCRIPTION: Lot: 3 Subdivision: SHORT PLATS Volume: '1' Page: 956  
(Abbreviated)

ADDITIONAL LEGAL: See attached Exhibit A

ASSESSOR'S TAX  
PARCEL NUMBER: 144532-000

CROSS REFERENCE: None

This Easement Agreement and Restrictive Covenant is entered into between the Grantor, Vancouver Mini Storage, LLC, a Washington limited liability company, and BOC, a division of The BOC Group, Inc., the Grantee.

WHEREAS, the Grantor is the owner of certain real property (the "Property") located in Clark County, Washington, which is legally described in Exhibit A, which is attached hereto and incorporated herein, and depicted on Exhibit B, which is also attached hereto and incorporated herein.

WHEREAS, the Grantee was a party to one or more Administrative Orders on Consent ("Orders") issued by the U.S. Environmental Protection Agency ("EPA") which required the Grantee to perform environmental clean up and remediation at the Boomsnub/Airco Superfund Site ("Site") which Site includes the Property, and

WHEREAS, the Grantee and the EPA have entered into a judicially approved consent decree ("Consent Decree") in the United States District Court Western District of Washington (Civil Action No. C07-5163 FDB) which also requires the Grantee to perform environmental clean up and remediation activities at the Site, and

WHEREAS, the Grantee, the EPA and the Washington Department of Ecology ("Ecology") require access to the Property to perform the required environmental clean up and remediation activities, and

WHEREAS, the Grantor is willing to grant a right of access over the Property for the purposes of implementing, facilitating and monitoring the aforementioned environmental cleanup and remediation activities, and

WHEREAS, the Grantor is also willing to covenant to the Grantee, to the EPA and to Ecology that they will refrain from using the Property in any manner that would interfere with or affect the implementation, integrity or protectiveness of the environmental cleanup and remediation activities to be performed by the Grantee.

NOW, THEREFORE: for adequate consideration received it is agreed as follows:

1. The Grantor on behalf of itself and their successors, transferees and assigns hereby conveys to Grantee and its representatives, successors, transferees and assigns a non-exclusive easement to enter upon the Property at reasonable times for the purposes of undertaking and completing environmental clean up and remediation activities for as long as required or as may be required by the aforementioned Orders and Consent Decree. The activities of Grantee may include but are not limited to: (a) conducting and monitoring environmental cleanup and remediation work, (b) verifying data and information related to the work, (c) conducting investigations on the Property, (d) obtaining soil and ground water samples, (e) assessing the need for, planning and implementing additional actions at or near the Site, (f) assessing the implementation of quality control practices, (g) inspecting or copying records related to the work, (h) determining whether the Property is being used consistent with the terms of the restrictive covenant contained in Paragraph 3 herein, and (i) installing and abandoning of ground water wells, pipeline, and other remediation equipment and facilities. Grantee agrees that its activities, as described herein, shall be scheduled to avoid any disruption of Grantor's business operations on the Property.
2. The Grantor also grants the above described rights of access for the purposes therein to the EPA and its representatives, Ecology and its representatives and other appropriate parties as designated by the EPA.
3. The Grantor on behalf of itself and their successors, transferees and assigns, hereby covenants that they shall refrain from using the Property in any manner that would interfere with or adversely affect the implementation, integrity, or protectiveness of the environmental clean up and remediation activities for as long as these activities are being performed. The Grantor, on behalf of itself and their successors, transferees and assigns further covenants that they will not install ground water well(s) nor shall they use ground water beneath the Property for potable

purposes for as long as environmental cleanup and remediation activities are being performed. The Grantor agrees that this covenant shall take effect upon execution and shall run with the land and be binding upon their successors, transferees and assigns and shall be enforceable by the Grantee, the United States on behalf of the EPA, Ecology or other appropriate parties designated by the EPA.

4. No right of access to the Property by the general public is granted hereunder.

5. The interpretation and performance of this Access Easement and Restrictive Covenant shall be governed by the laws of the United States, or if there is no such applicable federal law, then by the laws of the State of Washington.

6. If any provision of this Access Easement and Restrictive Covenant is found to be invalid or unenforceable, the remainder of its provisions shall not be affected thereby.

7. If there are two or more persons identified as Grantors herein, the obligations imposed by this document shall be joint and several.

IN WITNESS WHEREOF, the Grantors have executed this Access Easement and Restrictive Covenant on the 1 day of October, 2007.
