Dear Mr. Bowman:

The Department of Ecology (Ecology) received your response to our request for information on the status of the cleanup of the Scougal Rubber Corp. facility (Site). Based on your response, we have agreed to continue providing you with services under the Voluntary Cleanup Program (VCP).

As your cleanup progresses, please keep the site manager assigned to your Project informed as to the status of the cleanup and your plan for completing the cleanup. The Ecology site manager is: Chris Maurer P.E. and he can be reached at (360) 407-7223.

We appreciate your continued commitment to cleanup and interest in the VCP. If you have any questions about our decision or next steps, please contact the site manager.

Sincerely,

NNAMDI I. MADAKOR
