Dear Mr. Adams:

Conestoga Rovers and Associates (CRA), on behalf of Shell Oil Product US (Shell), would like to retract the Site Investigation Work Plan submitted to Ecology Northwest Regional Office, on April 28, 2009. Please do not provide technical advice, assistance, or a written opinion on the plan. CRA, on behalf of Shell, shall submit reports according to the Final Cleanup Timelines.

If you have any questions or require further information, please contact me at (425) 212-5106.

Sincerely,

CONESTOGA-ROVERS & ASSOCIATES
