February 26, 2024

TO: Lakeside Industries Issaquah TCP Site File

FROM: Donna Kirkman  
Ecology NWRO Initial Investigations Coordinator

SUBJECT: Initial Investigation: No Further Action (NFA) Determination  
Lakeside Industries Issaquah  
6600 230th Ave SE, Issaquah WA 98027  
Facility Site ID: 1369837  
Cleanup Site ID: 17000  
County Parcel: 2224069012

Effective January 24, 2024, Ecology has determined that no further action is necessary (at the Initial Investigation stage) due to independent remediation.

Ecology reviewed the following:

- Underground Storage Tank Site Assessment Report, Issaquah Facility, 6600 230th Avenue Southeast, Issaquah, Washington. Farallon Consulting, November 14, 2023.

The above document provides sufficient evidence that this cleanup is in compliance with applicable Model Toxics Control Act cleanup levels.

Available electronic documents and additional information about Ecology's review and determination may be accessed on Ecology's Lakeside Industries Issaquah webpage (<https://apps.ecology.wa.gov/cleanupsearch/site/17000>).
