Dear Jason Detamore:

The Department of Ecology (Ecology) received your response to our request for information on the status of the cleanup of the West Cashmere Bridge – North Approach facility (Site). Based on your response, we have agreed to continue providing you with services under the Voluntary Cleanup Program (VCP).

As your cleanup progresses, please keep the site manager assigned to your Project informed as to the status of the cleanup and your plan for completing the cleanup. The site manager is:
