Dear Ben Kleban:

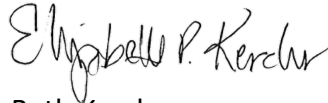

The Washington Department of Ecology (Ecology) is sending this letter to officially invite the Stillwater Holdings LLC to begin negotiations for an Agreed Order to complete a Remedial Investigation and Feasibility Study at the Stillwater Holdings Chevron Site located at approximately 7 East Rose Street in Walla Walla, Washington. The 60-day negotiation period will begin on February 28, 2024. Enclosed please find a draft Agreed Order and Scope of Work for the Site. Please review and, if needed, provide comments to Ecology by April 27, 2024. If no comments are offered, please sign the Agreed Order and return the document to Ecology.

Please note that in accordance with WAC 173-340-530, negotiations for an Agreed Order and related documents must be completed within sixty days, unless further negotiation is deemed by Ecology to be in the public interest.

Ecology looks forward to finalizing these documents and proceeding with work at the site. If you have any questions regarding this letter, please contact me at 509-385-5443 or at beth.kercher@ecy.wa.gov.
