The Washington State Department of Ecology (Ecology) received one (1) comment during the public comment period for the Prosser Airport Aircraft Applicators site.

Comment 1: Quentin Wright received March 26, 2024 at 12:24 p.m.:

As the Prosser Airport Manager for the Port of Benton we support the removal of the Marv Bonney Site from the Hazardous Sites list. Great remediation effort has gone on over several years to cleanup and test that site, and the data shows that it is no longer an issue.
