Ryan Hardwick  
Washington State Department of Ecology  
Toxics Cleanup Program Baywide Project Manager  
300 Desmond Drive Southeast  
Lacey, WA 98503

Dear Mr. Hardwick:

SUBJECT: East Waterway Agreed Order DE 12817 – Project Coordinators

The intent of this letter is to inform the Washington State Department of Ecology regarding a change in project coordinator and staff level contact for the East Waterway Site in Everett, Washington. The project coordinator for the United States Department of the Navy will change from Pam Sargent to Philip Nenninger. In addition, the Navy would like to designate William Hafner as the working-level staff contact for all portions of the implementation of the work to be performed required by this Order. Pursuant to Section VIII B of Agreed Order DE 12817, the change will be effective as of 10 calendar days from the date of this letter.

The contact information for Philip Nenninger is provided below:

Philip Nenninger, Environmental Restoration Manager, EV3  
Naval Facilities Engineering Systems Command Northwest  
1101 Tautog Circle, Suite 203  
Silverdale, WA 98315  
Phone: 360-396-0226  
Email: philip.a.nenninger.civ@us.navy.mil

The contact information for William Hafner is provided below:

William Hafner, Remedial Project Manager  
Naval Facilities Engineering Systems Command Northwest  
1101 Tautog Circle, Suite 203  
Silverdale, WA 98315  
Phone: 425-318-0420  
Email: william.d.hafner4.civ@us.navy.mil

Please contact me if you have any questions or need additional information.

Sincerely,

PHILIP NENNINGER  
Environmental Restoration Manager  
By direction of the  
Commanding Officer
