Dear Molly Dimick:

As we discussed in our meeting on October 6, 2023, Ecology concurs with Simplot's request reducing the submittal of the progress reports from monthly to quarterly.

You may start submitting the progress reports on a quarterly basis starting in 2024. Therefore, Ecology anticipates the first quarterly progress report for 2024 to be submitted in April 2024.

As a clarification, Ecology anticipates receiving monthly progress reports until December 2023

If you have any questions, please contact me at (509) 385-8380 or e-mail me at clof461@ecy.wa.gov.
