

Maury Island Open Space Site

King County Parks and Recreation Division

MONTHLY PROGRESS REPORT

To: Ryan Gardiner, Department of Ecology

From: Lindsey Miller, Project Manager, King County Parks

Report Date: August 9, 2024

Project: Maury Island Open Space Site

Period Covered: June and July 2024

On behalf of King County, this monthly progress report documents activities related to Agreed Order DE8439 between the Washington State Department of Ecology and King County.

1. Description of the actions which have been taken to comply with the Order:

- King County finalized the construction drawings and specifications for Phase 3 of the cleanup (i.e., additional Revegetation). Estimated advertisement date August 29 with a bid opening date of September 20.
-
- King County and Department of Ecology finalized responses to public comment and Ecology made these responses available on June 7.
- King County began vegetation maintenance activities for the 2024 growing season.

2. Summaries of sampling and testing reports and other data reports received by King County:

- NA

3. Summaries of deviations from approved work plans:

- NA

4. Summaries of contacts with representatives of the local community, public interest groups, press, and federal, state, or tribal governments.

- N/A

5. Summaries of solutions developed and implemented or planned to address any actual or anticipated problems or delays:

- N/A

6. Changes/updates in key personnel (**see new contact below for Phase 3**)

- Tom Early is managing the plant establishment for the recently planted 3 acres and is a backup contact for Lindsey regarding the status of cleanup related work on the ground. tearly@kingcounty.gov (206) 477-7555

Maury Island Open Space Site

King County Parks and Recreation Division

- Leigh Nelson is the King County project manager specifically for the construction of Phase 3 of the revegetation that will be advertised in August. lnelson@kingcounty.gov (206)263-0866
- David Sizemore is the contact for the Annual Monitoring Reports for the completed portions of the project that have been handed over to Parks Operations to maintain. David.Sizemore@kingcounty.gov (206) 477-6142

7. A description of work planned for the next reporting period.

- King County will be advertising of Phase 3 of the Cleanup (Revegetation) in late August. Target construction start date in October 2024.
- The landscaping contractor will be doing maintenance of the revegetation areas.
- Lindsey is going to be passing off this monthly reporting task to another staff member and will provide their contact information before the next monthly report is due. She will still be available for coordination as needed.

Please also refer to the attached project schedule.

8. Meetings Held with Ecology in June-July 2024

Meeting Date	Meeting Topic
None
