Subject: Second Half 2024 Inspection of Bunker C Cleanup Site ID#2690  
Sierra Pacific Industries – Shelton Division

Dear Mr. Balaraju,

As required in the April 2019 Periodic Review Report for the Simpson Timber Bunker C Cleanup Site ID#2690, Facility Site ID#1188, Sierra Pacific Industries has completed visual inspections of Goldsborough Creek, immediately adjacent to the Bunker C site, to check for any sheen emanating from the site into Goldsborough Creek:

- Inspection was conducted on November 11, 2024

During these inspections, no sheen was observed emanating from the site into the creek.

Respectfully,

Justin Eastman  
Regional Environmental Coordinator (WA)
