Pursuant to the Model Toxics Control Act (MTCA), Chapter 70.105D RCW; the Uniform Environmental Covenants Act, RCW 64.70.100; and WAC 173-340-440, the Washington State Department of Ecology (Ecology) has determined, after public notice and comment, that the Environmental Covenant (hereafter "Covenant") filed of record in Grays Harbor County under Auditor File Number 980406028 on APRIL 3, 1998 between WEYERHAEUSER COMPANY as Grantor(s) and Ecology as Grantee or Holder of the Covenant over the property legally described below was not placed on the correct tax parcel and therefore, under MTCA and its implementing regulations, Chapter 173-340 WAC, not adequate to protect human health and the environment and the integrity of the remedial action. Ecology hereby consents to termination and release of the Covenant and relinquishes and quitclaims to GRAYS HARBOR HISTORICAL SEAPORT AUTHORITY any and all rights it may have that were created by the Covenant.

This document is not a settlement under MTCA. Ecology's signature below does not constitute a covenant not to sue or a compromise of Ecology's authority or rights other than those rights created by the Covenant itself.

The legal description of the property subject to the Covenant is as follows:
