Re: Model Toxics Control Act (Ch.70.105D RCW) Site Hazard
Assessment

Dear Mr. Grohs:

Under the Model Toxics Control Act (Ch.70.105D RCW) the Department of Ecology is authorized to enter property, to review documents, and to conduct investigations and cleanup of hazardous material sites. Ecology intends to conduct a site hazard assessment (SHA) at the your property situated at the southwest corner of Pacific Highway South and South 252nd Street in Kent, Washington. We do not intend to enter the property in question in conjunction with the SHA. However, you are encouraged to submit any pertinent information for consideration during the SHA. The Department will make results of the SHA available in the near future.

Enclosed please find a copy of C.70.105D RCW, the Model Toxics Control Act, and Ch.173-340, the implementing regulations for the act. If you have any questions regarding this notice or the Department's intentions regarding your site, please call Elaine Atkinson at (206) 649-7042. The Department will keep you informed of pertinent information as the investigation proceeds.

Sincerely,

Mike Gallagher
