**Re: Termination of VCP Agreement for the following Site:**

- **Site Name:** Chevron USA Inc Tekoa
- **Site Address:** State Route 274, Tekoa, WA
- **Facility/Site No.:** 8414694
- **VCP Project No.:** EA0190

Dear Ms. Harmon:

The Washington State Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. EA0190. The project involved the cleanup of the Chevron USA Inc Tekoa facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

**Reason**

Ecology is terminating the Agreement because we understand that you are not actively cleaning up the Site. On May 17, 2016, we sent you a letter requesting an update on the status of your cleanup and your plan for completing the cleanup. You did not respond to that request. Since we have not heard from you, we have decided to terminate the Agreement.

**Next Steps**

Based on this decision, Ecology may take one or more of the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.
2. Conduct a site hazard assessment (SHA) and rank the Site for further action.

You may apply to reenter the VCP if you decide to conduct further action at the Site.

**Contact Information**

Ecology is committed to working with you to accomplish the prompt and effective cleanup of the Site. If you have any questions about this notice, please contact me at (509) 329-3522 or at [patti.carter@ecy.wa.gov](mailto:patti.carter@ecy.wa.gov).

Sincerely,

Patti Carter
