**SUBJECT:** Facility/Site ID and Address Updates

After review, Ecology determined that the address of 20245 76th Ave S, Kent, associated with CSID 8506 and UST ID 6164 for the ChemPro Kent aka Burlington Environmental Kent Facility, should be updated to 20245 77th Ave S, Kent. Consequently, the cleanup site and UST site were moved from FSID 26239456 to FSID 70726415. Duplicate FSID 26239456 has been deleted.

Only the FSID has been updated. All other ID numbers remain the same for this LUST site issued No Further Action letter on January 12, 2012.
