**Re: Approval of Interim Action Work Plan Addendum #3 for the American Linen Supply Co Dexter Ave Site (FSID 3573, CSID 12004); Agreed Order No. DE 14302**

Dear John:

Thank you for submitting *Interim Action Work Plan Addendum #3* dated August 13, 2025 (Addendum #3), for the American Linen Supply Co Dexter Ave Site (Site). Under Agreed Order No. DE 14302 (AO) between BMR-Dexter LLC and Washington State Department of Ecology (Ecology), which became effective on October 24, 2017, Ecology approved the *Final Interim Action Work Plan* on August 31, 2018. Subsequent addenda, including the *Final Contingent Action Addendum* (dated February 14, 2019) and *Interim Action Work Plan Addendum No. 2* (dated February 22, 2022) were approved by Ecology on March 14, 2019, and February 22, 2022, respectively. Addendum #3 provides a scope of work to expand the ongoing interim action to the east, within the downgradient portion of the Site. Ecology has reviewed Addendum #3 and hereby approves the document.

Ecology appreciates the diligence of BMR-Dexter, LLC and its consulting team in the fulfillment of the requirements of the AO. Please keep me informed of any issues as they occur during implementation of the expanded interim action work. If you have any questions, please contact me at (425) 457-3143, or [tena.seeds@ecy.wa.gov](mailto:tena.seeds@ecy.wa.gov).
