Dear Mr. & Mrs. Arnold:

Re: Determination of Potentially Liable Person Status

On February 11, 1994 the Department of Ecology sent you written notice regarding your proposed status as a potentially liable person for a release of hazardous substances at the Manhattan Express Deli (formerly Arnold's Mini-Mart) located at 631 Queen Anne Avenue North in Seattle, Washington.

The 30-day comment period on this preliminary notice expired on March 17, 1994.

We have received no comments from you as of March 18, 1994. Based on the information available to date, the Department finds that credible evidence exists which supports your status as a potentially liable person for the release at the Manhattan Express Deli (formerly Arnold's Mini-Mart). On the basis of this finding, the Department of Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the Manhattan Express Deli (formerly Arnold's Mini-Mart).

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, Mr. Brian Sato, will contact you with information about how the Department intends to proceed with the cleanup at this site.
