Attachments: 700 Dexter - Outstanding Signed Manifests (072418).pdf

Byung -

Sorry for the delay in getting you these last few manifests. The four outstanding manifests are attached. A few of the estimated weights I had when they were picked up were corrected at the disposal facility and the revised total for these four loads is 39.46 tons.

Let me know if you need anything else on this.

Pursuant to the requirements of your March 1 letter entitled Contained in Determination for

Contaminated Soils from the Former American Linen Supply Co – Dexter Ave Site in Seattle, Washington, and on behalf of BMR-Dexter LLC, PES is providing the attached disposal documentation for soils generated during the installation of remediation injection wells and monitoring wells at the American Linen Supply Co – Dexter Ave Site located at 700 Dexter Avenue North, Seattle, Washington. As described in the attached letter, there are still a few facility-signed manifests we have not received yet for some of the wastes generated later in the project; we will provide these last few manifests upon receipt.

Let me know if you need any additional information or have questions at this time.
