Re: Termination of VCP Agreement for the following Site

Site Name: Northwest Pipeline Seattle
Site Address: 800 21st St, Renton, WA 98055
Facility/Site: 2392
VCP Project: NW1747

Dear Aaron Galer:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW1747. The project involved the cleanup of the Northwest Pipeline Seattle facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because we understand that you are not actively cleaning up the Site. The last report we received from you was dated March 26, 2012. we have decided to terminate the Agreement.

Next Steps

Based on this decision, Ecology will take the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.

We encourage you to apply to reenter the VCP if you decide to conduct further action at the Site. Information on applying to the VCP is available on [Ecology's website](#)¹.

Contact Information

Ecology is committed to working with you to accomplish the prompt and effective cleanup of the Site. If you have any questions about this notice, please contact me at 425-417-4531.

Sincerely,
