Dear Todd Nicholson:

I, Chase Williams, will take over as Washington State Department of Ecology (Ecology)'s site manager for remedial action at Albert Jensen & Sons Inc beginning November 24, 2025.

This letter serves as the written notification for this change per Section VIII B of Agreed Order No DE 1807a. Please reach out if you have any questions.

My contact information is as follows:

Phone: (564) 669-4206

Please note that Frank Winslow and I will continue to be working together on this project. Frank will continue as the technical lead for uplands contamination assessment and cleanup, and I will still be the technical lead for in-water contamination assessment and cleanup. This change should not affect project continuity in any manner.

Sincerely,

A handwritten signature in black ink, appearing to read "Chase Williams". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
