**T-91 Notification of Subconsultant Name Change and Updated Project Coordinator
Port of Seattle Terminal 91 Site
Agreed Order DE 24768**

Dear Ms. Colouzis,

This letter is to notify Ecology of a subconsultant name change for the submerged lands and update the Port's Project Coordinator to Joy Dunay (contact information below).

Joy Dunay

Senior Environmental Program Manager

Email: Dunay.J@portseattle.org

Mobile: (206) 734-9564

Pronouns: [She/Her](#)

As required by Section VIII.C of Agreed Order DE 24768, notification shall be provided to Ecology when there has been a change in site subcontractors. Windward Environmental is now Barr Engineering as of October 31, 2025 and the Service Directive was issued by the Port on November 4, 2025 to allow Barr Engineering to perform the tasks identified in Agreed Order Amendment DE 24768.

Please contact me if you have any questions.

Sincerely,

AECOM Technical Services, Inc.
