Re: Site Manager, Everett Landfill Site

Dear Ms. Becker:

I am writing to inform the Department of Ecology of a re-assignment of the Site Manager of the Everett Landfill and Tire Fire Site for the City of Everett.

Hanna Lintukorpi, P.E. has been designated our new Site Manager and has been assigned the responsibilities outlined in the Consent Decree. Hanna will take over in this role as of the receipt of this letter. Hanna has been involved in landfill management and development activities over the past several years.

Randy Loveless, our Landfill Site Manager since October 2020, will work with Hanna over the next several months to ensure the transition goes smoothly and the City's obligations continue to be fulfilled.

Hanna's email address is hlintukorpi@everettwa.gov and her phone number is 425-257-8946

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ryan L. Sass'.

Ryan L. Sass, P.E.
Public Works Director
