Subject: Ecology Approval of Uplands EDRs and 60 Design
Date: Wednesday, May 6, 2026 9:36:02 AM

Hi Eric, Scott, and Chris,

In our April 13, 2026 letter that approved the uplands Engineering Design Reports, I neglected to reference the 60% design that was included with those EDRs. This email is to clarify that Ecology's April 13, 2026 approval includes the 60% design for the two upland cleanup areas.

I will update our online record with this email to make sure the record is clear on this subject.

Thanks, Frank
