Re: Approval of Pre-Remedial Design Investigation Project Plans
Gas Works Park Site (CSID 2876)
Consent Decree No. 23-2-25643-3

Dear Sara Leverette and Pete Rude:

The Department of Ecology (Ecology) has received the Pre-Remedial Design Investigation Work Plan dated February 26, 2024, prepared by GeoEngineers for Puget Sound Energy and the City of Seattle. The document was prepared under Consent Decree No. 23-2-25643-3 and includes several plans as appendices. Collectively the work plan and appendices are termed the Pre-Remedial Design Investigation Project Plans in the decree.

Ecology hereby approves the Pre-Remedial Design Investigation Project Plans except the Health and Safety Plan (Appendix B), and Inadvertent Discovery Plan (Appendix D). We acknowledge receipt of these two plans.

If you have any questions, please contact me at (425) 410-1400 or at lucy.mcinerney@ecy.wa.gov.

Sincerely,
