Dear Mr. Sutton:

Ecology has reviewed and accepted the Interim Action Work Plan (IAWP) dated November 2026. However, please note that in accordance with WAC 173-340-430(6) the IAWP is considered draft by Ecology pending public notice and completion of the required 30-day comment period. The draft IAWP will become final only after completion of the comment period and consideration of relevant public comments. Ecology will send public notice and open the comment period as soon as possible. To facilitate completion of the interim actions in accordance with the schedule outlined in the IAWP, please proceed with the analyses required to demonstrate selection of cover system design details. If you have any questions, please contact me by phone at 509-379-3961 or by email at luke.lemond@ecy.wa.gov.
