- **Site Address:** 7730 South 202nd Street, Kent, WA 98032
- **Facility/Site No.:** 2067
- **VCP Project No.:** NW 2356

Dear Mr. Moore:

The Department of Ecology (Ecology) is terminating the VCP Agreement governing Project No. NW2356. The project involved the cleanup of the **MARALCO** facility (Site). The effective date of termination is the date of this letter. We are providing this notice in accordance with the terms of the Agreement.

Reason

Ecology is terminating the Agreement because we understand that you are not actively cleaning up the Site. On January 23, 2013, we sent you a letter requesting an update on the status of your cleanup and your plan for completing the cleanup. Since we did not receive a response from you, we are terminating this site from the VCP program.

Next Steps

Based on this decision, Ecology may take one or more of the following steps:

1. Send you an invoice for any costs remaining on your account. In accordance with the terms of the Agreement, you remain responsible for any costs incurred by us before the effective date of termination.
2. Conduct a site hazard assessment (SHA) and rank the Site for further action.
