RE: Determination of Potentially Liable Person Status

Dear City of Kelso:

On March 27, 2013 the Department of Ecology (Ecology) sent you written notice regarding your proposed status as a potentially liable person (PLP) for a release of hazardous substances at the following site:

- Name: Terry's Salvage
- Address: 1124 North Pacific Avenue, Kelso, WA
- County Assessor's Parcel Number(s) 20476
- Facility/Site No.: 74599527

WE HAVE RECEIVED YOUR WRITTEN NOTICE ACCEPTING LIABILITY FOR THE SITE. Based on the information available to date, Ecology finds that credible evidence exists which supports your status as a potentially liable person for the release at Terry's Salvage. On the basis of this finding, Ecology has determined that you are a Potentially Liable Person (PLP) with regard to Terry's Salvage.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility Guy Barrett, will contact you with information about how Ecology intends to proceed with the cleanup at this site.

If you have any questions regarding this notice, please contact Guy Barrett at 360-407-7115.
