Dear Mr. Gossman,

RE: Site Hazard Assessment – Oncogen  
Ecology FS ID: 21448945 / CSID: 8279

As we discussed on the phone this morning, Ecology has canceled the Site Hazard Assessment for the site we know as Oncogen, 3005 1<sup>st</sup> Ave, Seattle, WA 98121. Our preliminary review of the file for this and adjacent sites indicates there may be some administrative and geographic/boundary issues Ecology needs to address prior to assessing the site.

Ecology will notify you in a manner similar to the letter you received on 4/8/13 if the site will be assessed in the future.

Please contact me with any questions or concerns.

Sincerely,

**Donna Musa**
