RE: Determination of Potentially Liable Person Status

Dear Mr. and Mrs. Paul Haverluk:

On May 2, 1996, the Department of Ecology sent you written notice regarding your proposed status as a potentially liable person for a release of hazardous substances at New City Cleaners located at 747 Stevens Drive, Richland, Washington.

The 30 day comment period on this preliminary notice expired on May 6, 1996.

We have received no comments from you as of May 6, 1996. Based on the information available to date, the Department finds that credible evidence exists which supports your status as a potentially liable person for the release at New City Cleaners. On the basis of this finding, the Department of Ecology has determined that you are a Potentially Liable Person (PLP) with regard to New City Cleaners.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, Chung Ki Yee, will contact you with the information about how the Department intends to proceed with the cleanup at this site.
