Landsburg Mine Site Public Comment Period Extension

The Washington State Department of Ecology (Ecology) comment period for the Landsburg Mine site cleanup consent decree will be extended from November 11 through December 12, 2013.

Ecology invites you to a public meeting to learn more about the cleanup. This site is located approximately 1.5 miles northwest of Ravensdale in southeast King County.

This meeting is an opportunity for you to learn more about the planned cleanup activities at this site, to ask questions, and to provide Ecology with your comments.
