On Sept 5, 1991 the Department sent you written notice regarding your proposed status as a potentially liable person for a release of hazardous substances at U-Haul Company, 1108 South First Street, Yakima, WA 98901. The 30-day comment period on this preliminary notice expired on October 9, 1991.

We have received and evaluated your comments. No time extensions will be granted. Based on the information available to date, the Department finds that credible evidence exists which supports your status as a potentially liable person for the release of a hazardous substance at 1108 South First Street, Yakima, WA 98901. On the basis of this finding, the Department of Ecology has determined that you are a Potentially Liable Person (PLP) with regard to the Yakima Railroad Area cleanup project.

Your rights and responsibilities as a PLP are outlined in Chapter 70.105D RCW, and WAC 173-340. Ecology's site manager for the facility, John Fahsholtz, will contact you with information about how the Department intends to proceed with the cleanup at this site.
