**Re: Smokey Point Chevron Property, VCP No. NW2714**

Dear Mr. Myers:

I represent Denis and Mary Rogers, owners of the above-referenced property (the "Property"). As you are aware, my clients enrolled their property in Ecology's Voluntary Cleanup Program a number of years ago, and have been working to try and remediate this property since then.

Mr. and Mrs. Rogers have fallen on hard times and lack the resources to continue to try and remediate their property. Mr. Rogers has suffered a series of strokes and is in poor health. Mrs. Rogers is of limited means, and is focusing her time, love, and financial resources in caring for her ill husband. As a result, I am writing to withdraw the Property from the Voluntary Cleanup Program.

Should my clients' situation change, we will revisit participation in the VCP. Please feel free to contact me with any questions.

Very truly yours,

**GRAHAM & DUNN PC**
