**Re: Modification of Determination of Potentially Liable Person Status**

Dear Mr. Peterson:

On July 2, 2014, the Department of Ecology (Ecology) received your letter concerning the modification of the final Potentially Liable Person Status to include Ms. Pradeep Sandhu as a potentially liable person (PLP) for a release of hazardous substances at the following Site:

- **Site Name:** Boeing Field Chevron
- **Site Address:** 10805 Tukwila International Boulevard, Tukwila, WA
- **King County Assessor's Parcel Number:** 0323049064
- **Facility/Site Number:** FSID 2551

In your July 2, 2014, letter you stated that Ecology may modify the original PLP letter sent to Mr. Rajbir dated September 27, 2012, to include Ms. Pradeep Sandhu as a PLP rather than drafting a second letter to be sent to Pradeep separately. Additionally, please note the address change to 10805 Tukwila International Boulevard to reflect the King County Tax Assessor's address rather than using the business license address (10805 East Marginal Way South).

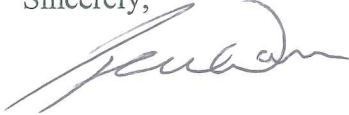

Based on the information available to date, Ecology finds that credible evidence exists that support Ms. Pradeep Sandhu's status as a PLP for releases at the Boeing Field Chevron Site. On the basis of this finding, Ecology has determined that Ms. Sandhu will be included with Mr. Sandhu as a PLP with regard to the Boeing Field Chevron Site.
