Dear Mr. Morrin:

The Department of Ecology (Ecology) appreciates your decision to clean up the Daniels Dry Cleaners facility (Site) independently. However, our records indicate that you have not conducted any remedial actions at the Site since June 2010. This letter requests information on the status of your cleanup and your continued interest in the Voluntary Cleanup Program (VCP).

Please submit the following information to Ecology within 30 days of the date of this letter:

1. Cleanup status report.
2. Any reports documenting the cleanup.
3. Plan and schedule for completing the cleanup.

Next Steps

Based on your response, Ecology will decide whether to continue providing you services under the VCP. We will notify you of our decision in writing. Please note that we will terminate the Agreement governing this Project if you do not respond to this request.
